

Overview

The Buffalo Niagara Partnership is the area's regional chamber of commerce and privately funded economic development organization.

Our members employ more than a quarter of a million people in the Buffalo Niagara region. By mobilizing member and strategic partners around common goals, we grow private investment and jobs in Buffalo Niagara through advocacy, business development and convening.

The Partnership has been working to make Buffalo-Niagara a better place in which to do business since 1844.

The Buffalo Niagara Partnership (BNP) has a long-standing commitment to promote a diverse and inclusive business climate in the WNY region and will continue to do so through this Initiative.

Participants receive:

A two-year sponsored membership in the BNP.

Leverage resources and content from the Bank of America financial training curriculum.

Attend an array of networking and educational events. This is an excellent way to immediately engage with other senior leaders across many different sectors.

Acquire a seat at the BNP's Executive Exchange.

BNP D&I Exchange

This is a unique peer to peer professional leadership development opportunity to meet, share experiences and resolve business challenges with other senior level managers.
